NOTICE TO ALL STUDENTS

Greetings and hope you arrived home well after the closure of the University on 31st March, 2021. You are reminded to observe the health regulations to protect yourself and others against the Covid -19 pandemic.

The University shall administer face to face examinations that were scheduled to start on the 6th April, 2021 as soon as the Government allows. However, possibilities of carrying out online examinations are being explored and we are therefore urging the students to complete their fees payment and download their examination cards in readiness for the examinations.

Furthermore be advised that the academic calendar for the second semester is expected to proceed as had been earlier scheduled and communicated (See copy of the almanac on the University website). The Second semester shall begin on 3rd May, 2021 and all students are advised to pay the semester fees and register for the courses online. You are also advised to purchase a computer for your online learning. Only registered students will be able to log in and access the materials through the Learning Management System. Please note, on resumption of face to face learning, the lecturers will not repeat what shall have been taught online.
