SUBJECT: CCTV SYSTEM INSTALLATION

The above captioned-subject matter refers.

The University has installed CCTV Surveillance System in order to enhance safety and security. The installation process has now reached test run phase. During this period, the Campus will be fully under CCTV surveillance.

We, therefore, encourage everyone to stay informed and cooperate fully as we fine tune the system.

Your attention and understanding is appreciated as we endeavor to create a safer University environment.

Thank you.

PROF. DANIEL K. TARUS
